AUGUSTE ESCOFFIER

A PIONEER OF MODERN CUISINE,  
AUGUSTE ESCOFFIER WAS THE FIRST EXECUTIVE  
CHEF AT THE RITZ PARIS.

Since 1988, the Ecole Ritz Escoffier, built in his honor, has been faithfully and passionately passing down the values he cherished:

SKILLS,  
CREATIVITY,  
AND THE PURSUIT OF EXCELLENCE.

Combining tradition, quality and modernity, the Ecole Ritz Escoffier offers training courses, in French and English, for anyone who wishes to learn the basics, train for a career or master the Culinary Arts.

## Training IN THE PUREST RITZ PARIS TRADITION

---

Starting off with the basics and working up to Haute Gastronomie, perfecting their technical abilities and culinary knowledge, the Chefs of the future come here to learn the invaluable skills of the trade.

Our team of Chefs and experts, trained at the top restaurants in France and worldwide, passionately carry on and pass down their skills to professional trainees of all levels. In addition to recipes and technique, students are taught to grasp the subtlety of ingredients and flavors and become ambassadors of an ever-evolving art.

By constantly adapting the training it provides, the Ecole Ritz Escoffier always seeks to achieve a sense of boldness and excellence.

The school's state-of-the-art equipment is the perfect toolset for discovering the best techniques of cooking and pastry-making. The school includes two culinary kitchens and one pastry laboratory to offer trainees optimal comfort and learning conditions.

## LOCATION
